

Infinity Precision Inc. (IPI)

Aerospace manufacturing specialist
AS9100D | ITAR REGISTERED | WOSB CERTIFIED

Infinity Precision Inc. (IPI) is a one stop shop for modern day and legacy aircraft parts. We are located outside Los Angeles CA, and offer 14k sqft of manufacturing capacity. Our experience with modern day and legacy aircraft platforms allows us to manufacture parts from loft contour books, 50 year old prints, or supplied 3D models. Combined with our traditional and CAD driven inspection equipment, Infinity can ensure products meet your design requirements.

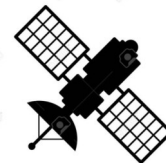

Infinity is a prime US government contractor. We are familiar with Source Inspection and flowing down government contract requirements. We are also approved for the Alternative Release Procedure

- 2, 3, 4, and 5-axis CNC capabilities
- Precision Sheet Metal
- Hydroforming
- 5-axis Waterjet Cutting

CNC Milling Capabilities

1. 64 x 32 x 30" HASS VF6
2. 30 x 16 x 16" HAAS VF2
3. QTY (2) 40 x 20 x 20" FADAL
4. UMC 500 5-AXIS
5. UMC 750 5-AXIS
6. 50 x 20 x 26" HAAS VF4 WITH 5-AXIS TRUNION

CNC Turning Capabilities

1. 8" Ø CHUCK HAAS SL 20
2. 8" Ø CHUCK SAMSUNG SL 20
3. 8" Ø CHUCK MAZAK
4. 10" Ø CHUCK MAZAK

Manual Equipment

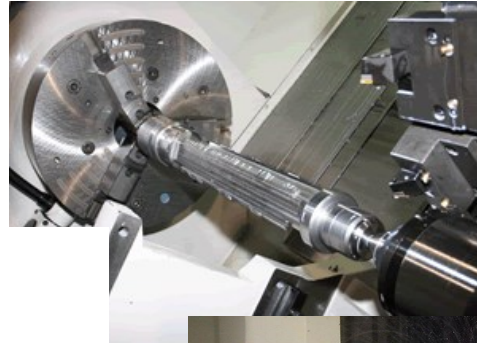

1. Mill
2. Lathes
3. Honing
4. Deburring

Sheet Metal

1. 24 x 50" Hydroform Press (200 Ton)
2. 8 FT AMADA CNC Brake (88 Ton)
3. 5x10 FT 5-Axis OMAX Waterjet
4. Assy. Equipment

Quality

1. CAD driven CMM.
2. Keyence Vision
3. Keyence Tactile
